Thanks Don.

We'll have Fred and Jessica arrange a LAWA presentation to the NC on Tuesday, so you can all hear the details and provide input. Then we'll go from there.

If the BID Board agrees, I'll stand to raise some questions. The WTC BID would raise the issue. It seems like this action contributes to making Westchester a raceway to & from LAX as opposed to recognizing it for the community that it is. We've always enjoyed Council Office support on that concern. Has Mike

changed this? I don't think so, Chad is sensitive to Westchester issues, right?

Fred, our NC as well as others would like to weigh in on this. Is this an opportunity to have someone present at the August 5 Board Meeting?

Hello All,

I wanted to send a heads up that a dual left turn lane is going to be constructed at La Tijera and Sepulveda. This is to better accommodate airport traffic. Please see the attached Traffic Control Report. I do not have a current timeline of when the work will begin but I will let you know when that information becomes available. Feel free to reach out to me with any questions.

Kind regards,
